

Family Sessions

Enjoy one or two hours of riding and fun activities with your own dedicated support staff

You can book one or two hours with a member of our experienced staff. They will tailor activities to what you and your children enjoy, and might include horse riding, activities with the animals (we have goats, pigs, rabbits, guinea pigs, ducks, and chickens as well as the ponies and horses), time on the play equipment, sports, fun games, forest activities and arts and crafts. Parents can join in or relax close by. There's no maximum family size, but larger families may wish to book two staff.

Family Sessions are available for booking on most days Mondays to Fridays over the summer, in one or two hour slots between 9.30am and 3.30pm.

The cost is £20 per hour per staff member which is subsidised by New Leaf fundraising. Booking terms and conditions apply.

Please email Kath Carter at kath.newleaftriangle@gmail.com for a booking form, to find out availability or for further information.
